

Essence: Sweet children, your *time* is very *valuable*, so don't *waste* it on useless matters.

Question: What shrimat have you been given by the Father in order to change yourselves from human beings into deities?

Answer: 1) Children, since you are changing from human beings into deities; you must have no type of devilish nature. 2) Don't become angry with anyone. 3) Don't cause anyone sorrow. 4) Don't listen to useless things. The Father's shrimat is: *Hear no evil!*

Om shanti. The way you children sit is very *simple*. You can sit anywhere in this way. Whether you sit in a forest, on a mountain, in your home or in a cottage, wherever you sit, you can sit in this way. By sitting in this way, you children become *transferred*. You children know that you are human beings who are now becoming deities for the future. We are changing from thorns into flowers. Baba is the Master of the Garden and also the Gardener. By remembering the Father and only rotating the cycle of 84 births, we are being *transferred*. Whether you sit here or anywhere else, you are gradually being *transferred* and becoming deities from human beings. You have the *aim* and *objective* in your intellects that this is what you are becoming. Whatever you do, even while cooking chappatis, simply keep the Father in your intellects. You children have received this shrimat: While walking and moving around, doing everything, simply stay in remembrance. When you remember the Father, you also remember the inheritance and the cycle of 84 births. What other difficulty is there in this? None at all! Since we are becoming deities, we shouldn't have devilish natures. Don't become angry with anyone. Don't cause anyone sorrow. Don't listen to any useless things. Simply remember the Father. You have been listening to a lot of gossip of the world. By listening to that for half the cycle, you have fallen down. The Father says: Now stop gossiping about how so-and-so is like that or has this defect. Don't speak about useless matters. This is like *wasting your time*. Your *time* is very *valuable*. It is only through this study that you can benefit. Only through this study do you claim a status. In other studies you have to make a lot of effort. Some even go abroad to take an examination. You are not given any difficulty. The Father tells you souls: Remember Me, the Father. Even when you are made to sit opposite one another, stay in remembrance of the Father. By sitting in remembrance, you change from thorns into flowers. This is such a good method! Therefore, you should follow the Father's shrimat. Each one has a different illness. There is a *surgeon* for every type of illness. Very important people have specialist *surgeons*. Who has become your *Surgeon*? God! He is the eternal *Surgeon*. He says: I make you free from disease for half the cycle. Simply remember Me and your sins will be absolved and you will become free from disease for 21 births. Tie a knot to remember this. It is only by having remembrance that you will become free from disease. There won't then be any disease for 21 births. Although it is the soul that is imperishable and the body that becomes diseased, it is the soul that suffers everything. There, you will have no illness for half the cycle. Simply remain engrossed in remembrance. You children definitely have to do *service*. While some children *serve* at the exhibitions, their throats choke. Some children believe that they will leave and go to Baba while doing *service*. This too is a very good way to do *service*. You children have to explain at exhibitions. At exhibitions, first of all, show the picture of Lakshmi and Narayan. This is an *A1* picture. 5000 years ago, their kingdom truly was in Bharat. They had plenty of wealth. There was purity, happiness and peace; everything. However, those on the path of devotion have given the golden age a duration of hundreds of thousands of years, so how could anything be remembered? This picture of Lakshmi and Narayan is *first class*. This *dynasty* ruled the golden-aged kingdom for 1250 years. Previously, you too didn't know this. The Father has now reminded you children that you ruled the whole world. Have you forgotten that? You are the ones who took 84 births. You are the ones who belonged to the sun dynasty. There definitely is rebirth. How you take 84 births is a very *simple* matter to understand. You have been continuing to descend and the Father is now taking you into the ascending stage. People sing: Everyone benefits when your stage ascends. They also blow a conch shell, etc. You children understand that there are now to be cries of distress. Look at what happened in Pakistan! The sound that emerged from everyone's mouth was: "Oh God! Oh Rama! What is to happen now?" The destruction to come will be so big. After that, there will be cries of victory. The Father explains to you children: This unlimited world is now to be destroyed. The unlimited Father is now giving you unlimited knowledge. You have been listening to the *history* and *geography* of *limited* things. No one knows how Lakshmi and Narayan came to rule. No one knows their *history* and *geography*. You know very well for how many births they ruled and how those religions then came. This is called *spiritual knowledge* and it is the *spiritual Father* who sits here and gives it to you children. There (in worldly schools), human beings teach human beings. Here, the Supreme Soul is making us souls equal to Himself. A *teacher* would surely

make others equal to himself. The Father says: I make you *double* crowned. I make you even more elevated than Myself. You receive a crown of *light* by having remembrance. Then, by knowing the cycle of 84 births, you become rulers of the globe. The philosophy of action, neutral action and sinful action is now explained to you children. In the golden age, actions are neutral. In Ravan's kingdom, actions are sinful. While coming down the ladder, your degrees gradually decrease and your stage continues to descend. You become so dirty! Then, the Father comes and gives devotees the fruit of their devotion. Everyone in the world is a devotee. In the golden age, there are no devotees. The *cults* of devotion exist here. There, there is the reward of knowledge. You know that you are now claiming your unlimited reward from the Father. First of all, explain to anyone the picture of Lakshmi and Narayan. Their kingdom existed 5000 years ago. There was happiness, peace, purity, everything, in the world. There were no other religions. At present, there are innumerable religions. That first religion no longer exists. It definitely has to come into existence once again. The Father is now teaching us with so much love. There is no question of a war. This is a *beggar life*, a foreign kingdom. Everything here is incognito. The Father too has come in an incognito way. He sits here and explains to you souls. It is souls that do everything. Souls play their *parts* through bodies. Souls have now become body conscious. The Father says: Now become soul conscious! The Father doesn't give you any other difficulty at all. When the Father comes in an incognito way, He gives you children the kingdom of the world as an incognito donation. Everything of yours is incognito. This is why there is the system of giving the bride a dowry in an incognito way when she gets married. In fact, it is said: To make an incognito donation is the greatest charity. When two or four people come to know of it, its strength is reduced. The Father says: Children, first of all, explain this picture of Lakshmi and Narayan to everyone at the exhibitions. Ask them: Do you want there to be peace in the world? However, no one's intellect knows when peace existed. You now understand that there used to be purity, peace, happiness, everything, in the golden age. People also remember heaven when they say, "So-and-so has become a resident of heaven." However, no one knows anything about it. They all say whatever enters their minds, but there is no meaning in what they say. This is the *drama*. You sweetest children have the knowledge in your intellects of how you have been around the cycle of 84 births. The Father has now come to take us away from this impure world and back to the pure world. By staying in remembrance of the Father, we are being *transferred*. We change from thorns into flowers. We will then become rulers of the globe. It is the Father who makes us that. The Supreme Soul is ever *pure*. Only He can come to *purify* souls. You are beautiful in the golden age; there is *natural beauty* there. Nowadays, people put on *artificial* make-up. Look at the types of *fashion* that have emerged! Look at the type of *dresses* they wear! Previously, *females* stayed behind a veil so that no one's vision could fall on them. Now that the veil has been removed, dirty behaviour has increased everywhere. The Father says: *Hear no evil!* A king has *power*. When someone donates in the name of God, he receives *power* from that. Here, no one has any *power*. Everyone does whatever he or she wants to. Human beings are very dirty. You are very fortunate that the Boatman is holding your hand. You are the ones who become His instruments every cycle. You know that the first and foremost evil spirit is body consciousness. Then, all the other evil spirits follow that one. Make effort to consider yourself to be a soul and remember the Father. This is not a bitter medicine. He simply says: Consider yourself to be a soul and remember the Father. No matter how far you walk while in remembrance of Baba, your legs will never become tired. You will become light. You receive a lot of help. You become *master* almighty authorities. You know that you are becoming the masters of the world. You have come to the Father. He doesn't give you any difficulty. He simply tells you children: *Hear no evil!* Only jewels of knowledge will emerge from the mouths of *serviceable* children. Nothing but things of knowledge can emerge from their mouths. Don't listen to useless gossip. Only jewels constantly emerge from the mouths of those who do *service*. Speaking of anything other than knowledge is like throwing stones. When you are not throwing stones, you are definitely giving jewels of knowledge. You would either throw stones or give imperishable jewels of knowledge whose *value* you cannot even mention. The Father comes and gives you jewels of knowledge. That is devotion where they constantly throw stones. You children know that Baba is very, very sweet. For half the cycle you have been singing: "You are our Mother and Father", but you didn't know the meaning of that at all. You simply used to sing like parrots. You children should now experience so much happiness. Baba is giving us the unlimited inheritance of the sovereignty of the world. 5000 years ago we were the masters of the world. We are not the masters now, but we will become that again. Shiv Baba is giving us the inheritance through Brahma. There has to be the Brahmin clan. They say, "The Lucky Chariot", but they don't understand anything. This is why there is Brahma and his Brahmin clan. It is when Baba enters

this body that Brahma is named The Lucky Chariot. You children of Brahma are called Brahmins. You Brahmins are the topknot. The variety-form image also shows this. At the top is Shiv Baba. Then there are you Brahmins of the confluence age who have become the children of God. You know that, at present, you are the children of God. Then you will become the children of the deities. Therefore, your *degrees* will decrease. The *degrees* of Lakshmi and Narayan are less because they don't have this knowledge. You Brahmins have this knowledge. However, you wouldn't say that Lakshmi and Narayan are without knowledge. It was through this knowledge that they received their status. You Brahmins are so elevated. Then, when you become deities, you don't have any of this knowledge. If you had had this knowledge, your deity dynasty would have continued from time immemorial. All the secrets are told to you sweetest, beloved, long-lost and now-found children. You can also do *service* while travelling by *train*. If you were to sit and talk to someone with just one picture, many others would gather there. Those who belong to this clan would imbibe this knowledge well and then become subjects. There are very many good pictures you can use for *service*. We people of Bharat were at first deities. Now we are nothing. *History* then *repeats*. This is the confluence between the two ages in which we become the most elevated human beings. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and *good morning* from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

Essence for dharna:

1. Don't let anything but knowledge emerge from your mouth. Never listen to gossip. Only let jewels of knowledge, not stones, constantly emerge from your mouth.
2. Together with doing *service*, stay on the pilgrimage of remembrance and make yourself free from disease. Stay in the intoxication and happiness that you have found God Himself, the eternal *Surgeon*, who makes you free from disease for 21 births.

Blessing: May you be free from the bondage of any *royal* form of Maya and become a conqueror of the world and the universe.

"My effort, my *invention*, my *service*, my *touchings*, my virtues are good, my power to decide is very good". This consciousness of "mine" is a *royal* form of Maya. Maya performs such magic that she even changes that which is "Yours" into "mine". Therefore, now become free from many such bondages and enter into a relationship with the one Father and you will become a conqueror of Maya. Those who conquer Maya are conquerors of matter, conquerors of the world and the universe. They are the ones who are easily and naturally able to put into a practical form the *direction* of becoming bodiless in a *second*.

Slogan: Those who are able to change something *negative* of anyone into something *positive* are world transformers.
