

Essence: Sweet children, imbibe the jewels of knowledge and continue to open spiritual *hospitals* and *universities* through which everyone can receive *health* and *wealth*.

Question: Which of the Father's tasks can no human being perform?

Answer: No human being can perform the task of giving souls the *injection* of knowledge and making them free from disease for all time. How could those who believe souls to be immune to the effect of action give the *injection* of knowledge? This task is only of the one imperishable *Surgeon*. He gives such medicine of knowledge and yoga that both the soul and body become *healthy* and *wealthy* for half a cycle.

Song: This time is passing by.

Om shanti. Who said that only a short time remains? A lot of time has gone by and, of the short period, only a little time now remains. You are now sitting in this old world. Here, there is nothing but sorrow; there is no name or trace of happiness. There is happiness in the land of happiness. The iron age is called the land of sorrow. Baba now says: Now that I have come to take you to the land of happiness, why are you still waiting here? Why are your hearts attached to the land of sorrow? Why are your hearts attached to the people of the land of sorrow and to your old bodies? I have come to take you to the land of happiness. Sannyasis say that the happiness of this world is like the droppings of a crow and that is why they renounce it. Now, you children have had a vision of the land of happiness. This study is for the land of happiness and there is no difficulty in this; you simply have to remember the Father. Through this remembrance you will become free from disease. The lifespan of your bodies will be long like the kalpa tree. The duration of this human world tree is 5000 years. In that, there is happiness for half the cycle and sorrow for half the cycle. You have seen sorrow for half the cycle. The Father says: If you want to go to the pure world, you have to become pure. Shrimat says: Stop exchanging that poison. Imbibe knowledge and yoga. The more jewels of knowledge you imbibe, the freer you will become from disease. The Father has explained that this is a spiritual *hospital* and also a *university*. The Supreme Father, the Supreme Soul, comes and opens a spiritual *hospital* and *university*. There are many *hospitals* in the world, but nowhere is there a combined *hospital-cum-university* like this one. Here, it is a *wonder* that you have a *hospital* and a *university*, that is, you receive *health* and *wealth* together. So, why do you not become alert and take these treasures? While you are saying, "Today, tomorrow", destruction will come suddenly. The Father gives you the most elevated directions. You can explain to the *Government*: The unlimited Father opens such a *hospital* and *university* at this time that everyone receives both *health* and *wealth*. The *Government* also opens *hospitals* and *universities*. Explain to them that nothing can be achieved by opening physical *hospitals*. They have existed for half the cycle and there have continued to be patients too. This is a spiritual *hospital* and *university*. Here, human beings can become *ever healthy* and *wealthy* for 21 births. So, explain to the *Education* and *Health Ministers*: The unlimited Father has opened both - a *combined hospital* and *university*. We are advising you to open the same so that people can benefit. However, those illnesses have continued from the time the kingdom of Ravan began. Previously, they had herbal medicines. Now they have many allopathic medicines. That One is the imperishable *Surgeon* who gives you imperishable medicine. This is why it is said: When the Satguru gives the ointment of knowledge, the darkness is dispelled. Only the spiritual Father gives souls the *injection* of knowledge. There cannot be anyone else who gives an *injection* to souls. They say that the soul is immune to the effect of action. So, you can explain that there can be expenditure of hundreds of thousands of rupees in those *hospitals* and *universities*. Here, it is not a question of expense; you just need three square feet of land so that you can explain to anyone who comes: Remember the Father and you will become *ever healthy* and, by knowing the cycle, you will become a ruler of the globe. Those who are wealthy will open big *hospitals* and *universities*, whereas the poor will open smaller ones. The *Government* opens so many of those. Nowadays, they even put up *tents* to teach children. They have two or three *sessions* in a day because there isn't enough space. They don't have any money. There is no question of expense here. You can take whatever place you find. You don't need to keep any equipment. It is a very *simple* matter. Men as well as women open them. The Father says: You too open them and look after them. Those who do something will receive the return. Many will be benefited. The unlimited Father gives you *shrimat* for you to become elevated. There are many who listen to this, but they don't do it because it is not in their fortune. You receive *health* and *wealth* from the Father. Baba has come to give you the kingdom of Paradise. You will receive palaces studded with diamonds and jewels. There was the kingdom of Lakshmi and Narayan in Bharat. The Father must definitely have given them an inheritance. Now, in the iron age, there is nothing but sorrow. Then I have to establish the golden age.

When people open *hospitals* etc., they have them inaugurated. The Father says: I inaugurate heaven. You now have to become worthy of heaven by following *shrimat*. You become worthy every cycle. This is not anything new. It has been seen that many poor people come here. Baba says: I am the Lord of the Poor. Wealthy people have a lot of money and so they think that they are sitting in heaven. Bharat is poor and, within that too, the Father uplifts those who are very poor. Wealthy ones are still sleeping. Baba is teaching you so much knowledge and yoga. It is Baba who also gives you the third eye with which you know the whole cycle. All the rest are in extreme darkness. No one knows the beginning, the middle or the end of the *drama*. They have forgotten the Purifier Father. They say of Shiva, the Supreme Soul, that He is in the pebbles and stones. You know that it is now the time of settlement for everyone. Everything will burn and be destroyed and I will then take everyone back with Me. I have come as the Guide. You are the Pandava Army. Those people take you on physical pilgrimages. You have been going on them for birth after birth. This is the spiritual pilgrimage. You don't have to walk and move around here. The Father says: Simply remember Me! Stay awake at night and remember Me! Connect your intellects in yoga to Me! Become conquerors of sleep and you will continue to come closer. Those brahmins are a physical creation whereas you Brahmins are the mouth-born creation of Brahma. You are now on the spiritual pilgrimage. You have to remain pure. Those brahmin priests are impure themselves and so they cannot purify others. You have to remain pure. Only pure Brahmins stay in the sacrificial fire of the knowledge of Rudra. Those brahmins live in temples and, because they are called brahmins, they can touch the idols of the deities and they can also bathe them but, in fact, they are impure. All other people who go to temples, because of not being brahmins, are not allowed to touch the idols. The brahmins are given a lot of respect, but they too are impure and indulge in vice. There may be some who remain celibate from birth. The Father comes and explains: True Brahmins are those who uplift 21 generations. If a kumari uplifts others, she would also uplift her parents. This Mother and Father teach you so that you can become the masters of heaven for 21 generations. You children know that the Father is incognito. Shiv Baba tells us all the secrets through Brahma. This Dada used to have a business etc. Now, at the end of the last of his many births, Shiv Baba has come and entered him and gives us knowledge through him. He is the chariot and Shiv Baba is the Charioteer. The incorporeal Supreme Soul explains that this chariot has been impure for many births. First of all, he becomes pure. He is the closest. He doesn't say that he is God. He says: This is the end of the last of my many births. I am now in my stage of retirement and am impure. Baba has entered this one. The Father now says: You do not know your own births. I tell you about them. It enters your intellects that only the Supreme Father, the Supreme Soul, is the Purifier. He is the Father, the *Teacher* and also the Guru. He explains to you the secrets of the beginning, the middle and the end of the whole *drama*. You know that Baba will take you back with Him. By taking advice from that Father, *Teacher* and Guru, you will claim a high status. He explains to you so well! Some imbibe this, follow *shrimat* and claim a high status. Those who don't accept *shrimat* don't claim a high status. Baba says: Remember the land of peace and the land of happiness and continue to forget this land of sorrow. Consider yourself to be a bodiless soul. We are now going back home. Baba has come to take us back. Everyone has to *repeat* their *part*. Every soul is an imperishable actor. Annihilation doesn't ever take place in the world. This is the land of sorrow. You will then go to the land of peace and the land of happiness. Continue to spin this discus of self-realisation in your intellects and remain pure and your boats will go across. You are conquering death. There, you won't have untimely death. Just as a snake sheds its old skin and takes a new one, in the same way you will also shed your skins (bodies) and take new ones. Such a stage has to be created here. I am now going to leave this body and go to my *sweet home*. Death cannot come to me. In fact, sannyasis cannot give the example of the snake. The example of the buzzing moth also belongs to the family path. They say that they can grant liberation-in-life in a *second*, just as Janak received it. They are just *copying* you. A couple is required for liberation-in-life. How can sannyasis grant liberation-in-life? The Father says: Now return home! Remember Me and your sins will be absolved! Otherwise, there will be a lot of punishment and your status will be destroyed. If you remember anyone at the end, there will of course be rebirth. This is *health* through yoga and *wealth* through knowledge. This is called liberation-in-life in a *second*. Then, what need is there to waste so much money or to wander around? This is why you have to explain to the *Health* and *Education Ministers*: Open this *hospital* and *university* and you will benefit a great deal. Those who do something will receive the return of it. It is the duty of the wealthy to uplift other wealthy ones. Only the poor claim the inheritance. It is said of all millionaires: Some people's wealth will remain buried underground.... At the end, when the fire takes hold, everything will be destroyed. So, why should you not

do something before destruction takes place so that you too receive a status? Everyone has to die. There has to be the end of the *drama*. Baba explains to you so well. Rivers continue to flow everywhere, but this Brahma is the Brahmaputra River. Mama is Saraswati and all the rest are the Ganges of knowledge. How can the Ganges of water purify anyone? That is not the real meeting. This is the true meeting where human souls meet God. This is why it is said that souls remained separated from the Supreme Soul for a long time. The meeting of human souls with God is now taking place. God has also taken a human body on *loan*. How else would He teach you? Therefore, He is called God Shiva. He enters this one and gives knowledge. Saraswati is called the *goddess of knowledge*. Brahma too must have *knowledge*. Who gave him *knowledge*? The Ocean of Knowledge. You also have that *knowledge*, numberwise, according to the effort you make. So, imbibe this *knowledge* and follow shrimat. Everything depends on purity. It is because of this that innocent ones are assaulted. Draupadi called out. She was saved from being stripped for 21 births. It says in the Gita: I also uplift the holy men. However, those holy men don't relate this. You know that the whole world is full of bribery at this time. This is why everything is going to be destroyed. Those who are to claim an inheritance will do so. Many children say to Baba: It would be so good if I came from a poor family. The wealthy ones don't allow us to come out. Baba, it would be so good if we were still kumaris. Mothers have to come down the ladder. Baba says: Claim your inheritance. It doesn't take long for people to die. There are many calamities etc. Simply consider yourselves to be souls and remember Me, your Father. Your 84 births have ended and you now have to return home. Or, do you still want to stumble around here? Manmanabhav, madhyajibhav! Forget Ravan's inheritance. Ravan curses you. The Father says: If you become My children, you will claim the inheritance. If you don't follow shrimat, how could you claim the inheritance? Continue to open these spiritual *hospitals*. Land just remains vacant. If someone rents it to you, there can then be a lot of benefit too. Achcha.

To the sweetest, beloved, long-lost and now-found children, love, remembrance and *good morning* from the Mother, the Father, BapDada. The spiritual Father says namaste to the spiritual children.

Essence for dharna:

1. In order to come close to the Father, stay on the spiritual pilgrimage. Stay awake at night and definitely keep your intellect on the pilgrimage.
2. Become a true Brahmin and uplift 21 generations. Become a spinner of the discus of self-realisation. In order to conquer death, remove all attachment from that old skin.

Blessing: May you be unshakeable and immovable and make your mind and intellect powerful with the nourishment of happiness.
Wah Baba! Wah and Wah my fortune! Wah! Constantly continue to sing this song of happiness. Happiness is the greatest nourishment and there is no other nourishment like that of happiness. Those who eat the nourishment of happiness every day remain constantly healthy; they never become weak. Therefore, make your mind and intellect powerful with the nourishment of happiness and your stage will become powerful. Those with such a powerful stage remain constantly unshakeable and immovable.

Slogan: Set your mind and intellect on the *seat* of experience and you will never become *upset*.

* * * O M S H A N T I * * *

Be an image of tapasya:

No matter what happens in this world of bodies, you simply have to be a detached observer and, while seeing all the *parts*, continue to give sakaash through your tapaswi form. Give sakaash while being stable in an elevated *stage* and you will not be affected by any type of heat of the atmosphere.
