

## Synopsis: Sakar Murli February 02, 2015

1. The Father is the **Ocean of Knowledge**. Each version of His is worth hundreds of thousands of rupees. It is through them that you become the masters of the world; you become multimillionaires. There is great praise of this knowledge. You must donate these jewels of knowledge. The original eternal deity religion is now being established. The Father, the **Purifier**, has come.
2. First of all, you have to make effort to claim a high status. Whilst sitting at home spin the discus of self- realisation and also enable others to spin the discus of self-realisation. Feel your own pulse and ask yourself to what extent you have become worthy and what you will do when you go to heaven. You have to become the Father's worthy children.
3. Those who have no household bondage, for instance, those who are retired and widows and kumaris, have many chances to do service. You must become engaged in doing service. *To get married at this time is to ruin yourself completely.* By having the enlightenment (**paraakaashtha**) of knowledge, become free from all bondage.
4. The Father explains and you children know that this message has to reach Bharat in particular and the whole world in general. All of you are messengers who give everyone the message and good news (**khushkhabari**) that Bharat is once again becoming heaven. Heaven is once again being established. The Father, the One called Heavenly God, the Father, has come to Bharat in order to carry out the establishment of heaven.
5. You are very important people; your behaviour should therefore not be uncivilized in any way. You should remain cheerful throughout the day. Your faces are like those of human beings and your characters are becoming like those of the deities. You are once again becoming full of all virtues; inspire others to make this effort.
6. This badge is first class. Although it is only worth a few pennies, you can use it and claim a high status. People spend so much money on books etc. for their studies. Here, there is no question of books etc. **You simply have to whisper the message of the Father's true mantra in everyone's ear.**

Slogan: Let the situations disperse no matter what they are like, but do not let your happiness disappear.

Points to churn from the slogan:

It is said: Even if you have to face the most difficult situations, you must not let go of your religion (dharma).... We, the souls, are constant tapasvis in the ascending stage, stabilizing ourselves in the position of a Godly Brahmin soul, a complete renunciate and a constant tapasvi soul...we dance in happiness and engage ourselves in service day and night...

Having received the blessings of : “May you be pure, may you be a yogi”, as soon as we take alokik birth through Brahma, we receive sustenance in the form of love and purity from the senior mother ...we constantly swing in the swing of happiness, and hear the lullaby of becoming the embodiment of all virtues, the embodiment of knowledge, and the embodiments of happiness and peace...by keeping the importance of this life in our awareness, we the elevated children, the Brahmakumars and the Brahmakumaris, play our special parts, our hero parts, on the unlimited stage of the world...

We are beautiful fragrant spiritual roses with vivid and vibrant beauty, colour and intoxication...we have beauty in having happiness and intoxication visible on our faces that is, in our eyes and features as a Brahmin and having the awareness of being a soul playing an elevated part of an angel in the corporeal form...we have colour by constantly being coloured by the constant company of the Father, that is, being constant companions...we have the fragrance of spiritual vision and spiritual attitude... we are the special flowers in the unlimited flower garden on whom BapDada has special vision...we have sparks of zeal and enthusiasm, have elevated aim and in whom there is hope, receive love from the entire Brahmin family, and move along fast...
