## **A Maharathi In Conversation with the Ocean of Love**

### **First Awareness**

The moment I open my eyes, I realize: I am a soul. I descended from the Sweet Home of Light in order to give radiant light to the world.

### **Who am I?**

I am a Maharathi child. As soon as I sit down at amrit vela. I feel connected as part of Baba, the Ocean of Love. My form and Baba's form are equal. Baba is incorporeal and I am incorporeal. Baba's qualities are my qualities. I become a master at experiencing Baba's love.

### **To Whom do I Belong?**

*Soul converses with Baba:*

I belong to You, the Ocean of Love. However I am, whatever I am, I am Yours and You are mine. I am lost in your love, sweet Baba.

### *Baba converses with the Soul:*

Sweet child, wake up! Sit down with Me. If your form is like Baba's, then His virtues will also be yours. Meet Me as a Maharathi child and become one with Me. Just as rivers flow into the ocean and merge within it, so all of Baba's qualities enter the soul. Brahma Baba's experience in the corporeal form will also be the experience of Maharathis. Experience your complete, perfect stage.

### **Receiving Inspirations**

I take a moment to quiet my chattering mind by focusing on Baba, the Ocean of Silence. In this silence, I receive from Baba pure, inspiring thoughts for service.

### **Receiving a Blessing from Baba**

I manifest my angelic form before sweet Baba in the subtle regions. With much love and powerful drishti, pure vision, He gives me this blessing:

You are a wise and clever soul who has learned to dance with maya's games by using the right spiritual powers at the right time. Because of your wisdom, the mark of victory is on you. God's golden hand of blessing is over you, and the love of the divine family is with you.

### **Unlimited Subtle Service (last 15 minutes)**

I bestow on the world the blessing described above. I take this blessing from Baba and gift it to the whole world through my pure thoughts. With my angelic costume, I circle the earth globe and give this blessing to all souls.

### **Before Going to Bed**

I steady myself in the stage beyond sound. I mentally check: was I disobedient in anyway during the day? If so, I admit it to Baba. Did I succumb, mentally or physically, to any attractions, attachments, or selfish preferences? I chart my actions, and remove the impact of faulty actions with 30 minutes of yoga. I go to sleep with a clean and clear heart.
