## A Successful Soul in Conversation with the Bestower of Fortune

### First Awareness

The moment I open my eyes, I realize: I am a soul. I descended from the Sweet Home of Light in order to give radiant light to the world.

### Who am I?

I am a successful soul because I am an obedient child. As soon as I sit for amrit vela, I feel Baba as the Bestower of Fortune applying the tilaka, mark, of success on my forehead. He has personally come to apply this mark of success.

### To Whom do I Belong?

### Soul converses with Baba:

Good morning sweet Baba. I light the flame of alertness and focus on You knowing that even if I doze a little, I will lose some of my fortune. I sit with the flame of soul consciousness ignited

and invoke you the creator of Lakshmi to come and create my fortune.

### Baba converses with the Soul:

Sweet child, wake up! Sit down with Me. If you remember Baba, Baba remembers you a million times more at amrit vela. Every day, Baba goes on tour and He gives you this generous return of your remembrance. If you are sleeping, you will not fully receive what Baba offers you. (In other words, if you hit the snooze button, you hit the lose button.) So you must make an effort to catch Baba's help. Check, stay alert and obedient and you will receive nourishment for the entire day.

### Receiving Inspirations

I take a moment to quiet my chattering mind by focusing on Baba, the Ocean of Silence. In this silence, I receive from Baba pure, inspiring thoughts for service.

### Receiving a Blessing from Baba

I manifest my angelic form before sweet Baba in the subtle regions. With much love and powerful drishti, pure vision, He gives me this blessing:

*Baba is bestowing the spiritual powers of life to you. You radiate with this divine shakti and have mastered the most essential power of remembrance, the ability to focus and concentrate your mind and intellect wherever you want in a second.*

### Unlimited Subtle Service (last 15 minutes)

I bestow on the world the blessing described above. I take this blessing from Baba and gift it to the whole world through my

pure thoughts. With my angelic costume, I circle the earth globe and give this blessing to all souls.

### Before Going to Bed

I steady myself in the stage beyond sound. I mentally check: was I disobedient in anyway during the day? If so, I admit it to Baba. Did I succumb, mentally or physically, to any attractions, attachments, or selfish preferences? I chart my actions, and remove the impact of faulty actions with 30 minutes of yoga. I go to sleep with a clean and clear heart.
