A Loving Child with the Innocent Guardian of Destiny

First Awareness

The moment I open my eyes, I realize: I am a soul. I descended from the Sweet Home of Light in order to give radiant light to the world.

Who am I?

I am a loving child with pure, deep love for Baba. I have a right to Baba's property. Now I need only claim that right from Baba at this time. I need not engage in hard labor.

To Whom do I Belong?

Soul converses with Baba:

Good morning sweet Baba. Whatever I am, as I am – I am Yours. I have this one simple thought and no other.

Baba converses with the Soul:

Sweet child, wake up! Sit down with Me. I, the Innocent Guardian of Destiny, am ready to draw the path of your destiny. Allow Me, the Guardian of Destiny to draw for you the most elevated lines of fortune. Now, God shows His innocent form –full of love. With your love, take from Me the most elevated fortune. However

many births you choose, whatever you choose – whether to be in the 8 jewels, or in the rosary of 108 – God gives you an open offer. Do not settle for less. Don't ask for peanuts at this time – "I want a worldly relationship," "I want more money etc". These boons are peanuts compared to the palace I have prepared for you.

Receiving Inspirations

I take a moment to quiet my chattering mind by focusing on Baba, the Ocean of Silence. In this silence, I receive from Baba pure, inspiring thoughts for service.

Receiving a Blessing from Baba

I manifest my angelic form before sweet Baba in the subtle regions. With much love and powerful drishti, He gives me this blessing:

You are content with the self, and the Father and the family are content with you. Wherever you go, your natural and easy yoga brightens the atmosphere so others can see their goodness, glimpse the Heart of God, and step onto the trail of transformation.

Unlimited Subtle Service (last 15 minutes)

I bestow on the world the blessing described above. I take this blessing from Baba and gift it to the whole world through my pure thoughts. With my angelic costume, I circle the earth globe and give this blessing to all souls.

Before Going to Bed

I steady myself in the stage beyond sound. I mentally check: was I disobedient in anyway during the day? If so, I admit it to Baba.

Did I succumb, mentally or physically, to any attractions, attachments, or selfish preferences? I chart my actions, and remove the impact of faulty actions with 30 minutes of yoga. I go to sleep with a clean and clear heart.
