Smriti or to Remember

Sweet child, Sweet children, do you now remember your home? Only you Brahmin children of the confluence age know that you are guests in this old world for a short time. Your true home is the land of peace. You know that very little time remains before you return home.

Sweet Baba, during the course of the day I will reaffirm the awareness that I am a guest for a short time. As I am a guest in this old world, only for the sake of service, nothing belongs to me. My true Home is the soul world. Very little time remains before I return Home!

Samarthi or Power

I constantly plug myself into the power that is received from the above smriti. I become aware how my smriti is recharging my self-respect. I pay attention to how my smriti is giving me strength and is allowing me to operate with equanimity and patience in an ever-changing world.

Mano-vritti or Attitude

Baba to Soul: Maya turns you one way and God turns you the other way. When you remember the Father, Maya brings many other storms. Maya's orders are: Become powerful and fight the powerful ones. All of you are on the battlefield. You know what type of warriors there are. Some are very weak, some slightly weak and others very powerful. All are battling with Maya in an incognito way, underground. You know that your enemy is Maya.

I adopt the attitude of a Mahavir. I remember that my enemy is my own deception and illusion and not another person. As a Mahavir, I feel that whatever happens in the drama is good. It all leads me to my victory. God is in my heart and hence I have courage to fight the real war. With this attitude of a Mahavir, I conquer Maya.

Drishti or Pure Vision

Baba to Soul: May you be one with many forms, the same as the Father and receive the clear response in your heart-to-heart conversation in your meeting with God. I keep Baba's many forms in my drishti today. I see Baba instantly take on a subtle costume from the incorporeal. Constantly beholding Baba helps me shed the dress of clay (body consciousness) and assume my angelic dress. This angelic dress is Maya-proof and hence I perceive a clear response in my heart-to-heart conversation with Baba.

Creating a Wave

I will do mansa seva and be part of creating a beautiful wave of pure remembrance and attitude spanning the whole globe during the 7:00pm to 7:30pm meditation. I will engage the smriti, manovritti, and drishti from above and give sakaash to the whole world as a humble instrument.
