Vardan lutane Wale..

Vardan lutane wale, sad gyan sunane wale,
Aatho he prahar mere, tere dhyan mein lag jayen.

Vardan lutane wale.....

Socha na kabhi pahle, bina mange vo paya,
Jise dhoond rahi duniya, usne hame apnaya,
Koi puchhe kaun mila, mukh kaise batlaye.

Tere dhyan mein lag jayen.....

Chup rahna chahen ham, ye aankhen bolti hain,
Inme basta hai tu, sab bhed ye kholti hain,
Chehre ki ye muskan, tera pata bata jayen.

Tere dhyan mein lag jayen.....

Tune jo diya hamko, kisi aur ne na dekha,
Bas ham aur tum thae jab, badli jeevan-rekha,
Chamke kyu na bhagya bhala, Bhagawan jo chamkaye.

Tere dhyan mein lag jayen.....

Oh, The One who bestows blessings..

Oh, The One who bestows blessings and
the one who gives true knowledge
I will remain merged in Your remembrance,
throughout the whole day
The One who bestows.....

I have received that which I never thought of asking
I have found the One whom
the whole world is searching for,
How can I describe in words if someone asks me,
whom I have found
I will remain merged in Your remembrance.....

I like to remain quiet but these eyes speak
You remain merged in these eyes and
these eyes reveal all the secrets
The smile on my face gives Your introduction
I will remain merged in Your remembrance.....

No one has seen what You have given to me,
My life-line changed only when You and I were together
When God is enabling my fortune to sparkle
then why should it not sparkle
I will remain merged in Your remembrance.....

Man Panchhi tu ud ja ..

Man Panchhi tu ud ja vatan mein,
Rut hai ye prabhu milne ki....
Mast pawan hai, mahka chaman hai,
Vela hai mangal milne ki.....
Man panchhi.....

Badal ki chhanv se, taron ke gaon se,
Par chala ja, jag ki hawaon se,
Chhod ke pichhe neel gagan ko,
Ye ghadi hai Prabhu milne ki
Man panchhi.....

Bhool ke saare jag ka aakarshan,
Tod ke jhutha deha ka bandhan,
Ud ja prem ke pankh lagakar,
Dil mein lagan ab milne ki.
Man panchhi.....

Sukh mein aao ham kho jayen,
Parampita se anand payen,
Prabhu milan ke param sukhon se,
Kalian khilati hain tan-man ki.
Man panchhi.....

Hamko mili aisi khushi ..

Hamko mili aisi khushi, jo kahin milti nahin,
Phool hai ya ye kali, har baag mein khilti nahin.

Hamko mili.....

Roop bhee anoop hai, wah ajab ye rang hai,
Jagmagaye jyoti bindu, vo to apne sang hai,
Raat din ab ye nazar, unse jara hatati nahin.

Hamko mili.....

Dhoop hai ki chhanv hai, ye nahin murjhayegi,
Gam ki aayen aandhiyan, to bhee ye muskaegi,
Hai amar apni khushi, jiski umar dhalati nahin.

Hamko mili.....

Tan rahe ya na rahe, hamko koi gam nahin,
Hai anokhi ye khushi, jo mili ye kam nahin,
Aur ab kya chahiye, gaate juban thakati nahin,
Hamko mili aisi khushi, jo kahin milati nahin,
Phool hai ya ye kali, har baag mein khilati nahin.

Hamko mili.....

I have found such happiness ..

I have found such happiness which
cannot be found anywhere
Is it a flower or a bud,
It will not blossom in every garden
I have found such happiness.....

The form is beautiful, the colour is wonderful,
I am in the company of sparkling light,
My vision does not move away from that
point of light day and night
I have found such happiness.....

This flower will not wilt whether there is sun or shade
This soul will remain cheerful even though
there may be storms of sorrow,
My happiness is eternal, it never ages,
I have found such happiness.....

Whether this body remains or not,
I don't have any sorrow,
This unique happiness I have found is no less,
What else do I need, words are not enough to describe,
I have found such happiness
which cannot be found anywhere
It will not blossom in every garden
I have found such happiness.....

O God, by thinking of the knowledge..

O God, my mind experiences unlimited happiness,
by thinking of the knowledge You have given me
The soul is like a bird merged in bliss,
It remains lost beyond the sky
O God, thinking of Your knowledge

I have not studied this supreme knowledge ever before,
nor is it written in scriptures,
I have never thought or dreamt that
God would teach me personally,
The lovely experience of meeting God
cannot be described in words
O God, thinking of Your knowledge.....

The sweet rhythm of the murli makes me
swim in the waves of the ocean,
Like the colour of the rainbow these words
fill me with enthusiasm,
My mind and body dance and sing in
Your praise at every moment
O God, thinking of Your knowledge.....

These invaluable words filled with sweetness,
cleanse the mind
Confidence sparkles in life and there
is the spring of happiness
in the courtyard of my mind
Vision is filled with millions of blossoming flowers
and the atmosphere is full of fragrance
O God, thinking of Your knowledge.....

Bhagwan tumhara gyan simarkar ..

Bhagwan tumhara gyan simarkar,
 man behad harshata hai,
 Anand magan aatam panchhi,
 ambar mein kahin kho jata hai.
 Bhagwan tumhara.....

Ye param gyan ab tak na padha,
 na likha gaya hai kitabo mein,
 Bhagwan padhayenge sammukh,
 socha, na dekha khuwabon mein,
 Prabhu milan ka ye pyara anubhav,
 shabado mein kaha nahin jata hai.
 Bhagwan tumhara.....

Sagar ki lahar lahrati hai, murali ki mithi tano mein,
 Ye indradhanush ke rango si,
 bharti hai umange prano mein,
 Tan sihar-sihar, man machal-machal,
 har pal tere gun gata hai.
 Bhagwan tumhara.....

Anmol vachan ye madhur kathan
 paavan-paavan man bhaavan hai,
 Vishwas chamakata jeevan mein,
 man angan mein sukh savan hai,
 Aankhon mein laakhon chaman khile,
 khushbu se jahan bhar jata hai.
 Bhagwan tumhara gyan simarkar

Aapki santan hain ham ..

Aapki santan hain ham, aapse kya prarthna,
Mange bina dete hamen to phir karen kyun yaachna.

Aapki santan hain.....

Sryшти natak manch hai ham to abhinai kar rahe,
Ye jagat parivar apna, pyar se ham bhar rahe,
Satkarma hee pooja hamari, seva hai aaradhana

Aapki santan hain.....

Jo hua achchha hua, achchha hai jo bhi ho raha,
Hoga jo achchha hai vo, ye gyan gam ko dho raha,
Shiv Pita hain aap mere, tao hamen kya sochna.

Aapki santan hain.....

Vishwa nandanvan bane, sab prem se hilmil rahen,
Sarva ka kalyan ho, sabko sabhi apna kahen,
Man mein hai sabke liye, shubh-bhavana shubh-kamana,

Aapki santan hain, ham aapse kya prarthna,
Mange bina daete hamen tao phir kare kyu yaachna.

Aapki santan hain.....

We are Your children ..

What need is there to pray when we are Your children,
You give everything without asking
then why should we have any desire,
We are Your children.....

This world is like a drama stage
and we are playing our part,
We are filling ourselves with love from
the world, our family,
Good actions are our worship and service is our offering,
We are Your children.....

Whatever has happened is good and
whatever is happening is good,
Whatever will happen will be good
this awareness is washing away all the sorrow,
What need is there to worry when Shiva,
the Father belongs to us
We are Your children.....

Let this world become the land of Krishna and
let everyone live together with love,
Let there be benefit for all and the feeling of belonging,
There are only good wishes and pure feelings
for everyone in the mind,
What need is there to pray when we are Your children
You give everything without asking
then why should we have any desire
We are Your children.....

Jeevan ki naiya kar do prabhu ke havaale ..

Jeevan ki naiya kar do prabhu ke havaale,
Jaise vo chahe vaise isko sambhale,
Jeevan ki naiya.....

Tan ka na garv kije ye to vinashi hai,
Tu to hai chetan aatma, jyoti avinashi hai,
Jyoti sagar pita ko dil mein basa lo,
Rahhon mein bhar jayenge, tere ujale
Jeevan ki naiya.....

Pag-pag pe milata hai, prabhu ka ishara
Iske sahaare kar de, swaha tu sara,
Ambar ke sare tare, anchal mein saja le,
Man ke sarovar mein tu, kamal khila le,
Jeevan ki naiya.....

Data ki den kar de, data ko arpan,
Mera-mera na kar tu, ho ja samarpan,
Toofan ke tod ghere, bhav se nikale,
De-de patvar kahe chinta ko paale,
Jeevan ki naiya.....

Surrender the boat of your life to God ..

Surrender the boat of your life to God
Let Him take care of it as He wishes
Surrender the boat of your life.....

Let there not be the ego of this body, it is perishable
You are a living soul, light and imperishable
Merge the Father, the Ocean of light in your heart
Your path will be filled with brightness
Surrender the boat of your life.....

You receive the Lord's signal at every step
Surrender everything, let Him use it as He wants
Decorate your apron with all the stars of the sky
Let the lotus blossom in the lake of your mind
Surrender the boat of your life.....

Surrender to the Bestower that which He has given you
Do not say 'mine', surrender yourself
He will lift your boat from the storms and the ocean
Why do you worry once you have
given your anchor to Him
Surrender the boat of your life.....

Bhrukuti ki kutia mein ..

Bhrukuti ki kutia mein baithae he baithae,
palken uthake nihara karun.

Baba mere man ke mandir mein tumko,
bitha ke milan mein manaya karun.

Bhrukuti ki kutia mein.....

Kabhi tan se jayen, kabhi tan mein aayen,
jayen vatan ya vatan ko he layen,

Tere paas aayen ya tujhko bulayen,
dil ki sune aur dil ki sunayen,

Yun he yad ki dor ko jod tumse,
lagan ki agan ko lagaya karun.

Bhrukuti ki kutia mein.....

Bada hee salona saras roop pyara,

nyara niralā ye man ko lubhaye,

param pyar tera barasata nirantar,

kirno ki baanho mein jag ko samaye,

yahi dekhate mera man muskuraye,

aho bhav ke geet gaya karoon.

Bhrukuti ki kutia mein.....

Prabhu prem pankhon se man ka pakheru,
gagan se bhi oopar kahin door jaye,

Hamen mil gaya jo hamen chahiye tha,

milan sindhu mein ham rahen yun samaye,

Kahoon kya mein mukh se mila kaun hai vo,

aankhon se sabko bataya karoon ...

Bhrukuti ki kutia mein baithae he baithae ...

In the cottage of my forehead ..

I sit in the cottage of my forehead
I lift my eyes and look at You
Baba, I will seat You in the temple of my mind
and celebrate a meeting with You,
I sit in the cottage of.....

Sometimes I go beyond the body and
sometimes I come into the body,
either I go to the subtle region or
I bring the subtle region here
I sit in the cottage of.....

I come to You or I invite You to come to me,
I hear what is in Your heart and speak what is in my heart,
In this way I tie the string of remembrance with You
and kindle the fire of love,
I sit in the cottage of.....

Your form is very beautiful, lovely and unique,
One that attracts the mind,
You are constantly showering Your supreme love,
through Your rays You merge the world in Your arms,
Seeing this, my mind smiles and continues to
sing the song of my fortune,
I sit in the cottage of.....

With the wings of God's love,
my mind flies higher than the sky
I have found the One whom I wanted,
let me remain merged within the Ocean
How can I say in words whom I have found,
Let me just reveal that One through my eyes ...

I sit in the cottage of my forehead

Yahi hai tamanna ..

Yahi hai tamanna, banen Baba tumsa,
Chalen sath ghar ko, ghadi aisi aaye,
Hamen to vatan ki bahut yad aaye.....

Kis kam ki hai purani ye duniya,
Badi pyari hai vo nirakari duniya,
Videhi banenge prabhu sang challenge,
Param shanti anand anubhav karenge,
Dekho isharon se koi bulaye.
Hamen tao vatan ki.....

Muddat hai gujari, bichhure vatan ko,
Mila kya yahan par laga karke man ko,
Ye tumne bataya hua khel pooraa,
Jagat ka ye natak raha na adhura,
Yahan ki na shai koi ab ji ko bhaye.
Hamen tao vatan ki.....

Yaadon mein Baba, tere man magan ho,
Bhoola ho sansar, bhoola ye tan ho,
Tabhi baj uthe khushion ki shahnai,
Oodo pran mere chalo le vidai,
Farishton ki mahfil hai aankhe bichhaye.
Hamen tao vatan ki.....

Yahi hai tamanna, banen Baba tum sa,
Chalen sath ghar ko, ghadi aisi aaye,
Hamen to vatan ki bahut yad aaye.....

The only desire ..

The only desire is to become like You Baba
Let that moment come when I go Home with You
I remember the subtle regions very much.....

Of what use is this world
That incorporeal world is very lovely
I will become bodiless and accompany the Lord
And will experience supreme peace and bliss
Look someone is signalling me to come
I remember the subtle regions very much.....

It's a long time since I was separated
from the subtle regions
What did I attain by attaching my heart with this world
You told me that now the game is over
The world drama is coming to an end
The heart doesn't like anything of this world
I remember the subtle regions very much.....

Let my mind be lost in your remembrance
Let this world and the body be forgotten
Only then will the bugles of happiness sound
Oh soul, fly; bid farewell
A gathering of angels awaits to welcome
I remember the subtle regions very much.....

The only desire is to become like You
Let that moment come when I go Home with You
I remember the subtle regions very much.....

Jee karta hai Baba ham ..

Jee karta hai Baba ham, pass tere ud aayen,
 Jyun pinjare se udkar panchhi, neel gagan mein jaye,
 Pass tere ud aayen.....

Koi shai na bhatee hai, ab yaad ghar ki aati hai,
 Kare ishara kiran tumhari, jaise hame bulati hai,
 Teri yaad mein sama ke ham to, tum sa he ban jayen.
 Pass tere ud aayen.....

Bas kuchh pal ki baat hai, phir ghar chalna sath hai,
 Hath mein hath tumhare Baba, pyar ki barsat hai,
 Sangamyug mein sang mein tere har pal milan manayen,
 Pass tere ud aayen.....

Ambar se bhi paar hai, maniyo ka aagar hai,
 Param shanti vishram yahan par jyoti ka bhandar hai,
 Parmanand sudha nainon se, vasudha par chhalkayen.
 Pass tere ud aayen.....

Jee karta hai Baba ham, pass tere ud aayen,
 Jyun pinjare se udkar panchhi, neel gagan mein jayen,
 Pass tere ud aayen.....

Your rays are giving a signal, as if You are calling me
Let me remain merged in Your remembrance
and become like You
Baba my heart feels.....

Now it is just a matter of a moment
Then we will go Home together
My hand is in Your hand and there is the shower of love
Let me constantly celebrate a meeting with You
in this Sangamyug at every breath
Baba my heart feels.....

Beyond the sky is the home of sparkling jewels
There is supreme peace and comfort,
and a treasure store of light

My heart desires to talk to You heartfully
Let me keep looking at You and keep meeting with You
The world is singing songs in gratitude to You
My Baba.....

Sometimes I saw you speaking the murli
and sometimes playing it,
sometimes writing the story of fortune in red ink,
I cannot forget those moments even though I try

My Baba I remember You a lot.....

 Har pal teri aor...
 Har pal teri aor...

String of love and affection ..

I have tied the life string of
love and affection with You Baba
My heart is drawn constantly towards You
I have tied the string.....

Let me constantly look at You in the mirror of my mind
At every moment I think
what You have made me from what I was
Now the peacock of happiness
dances in the courtyard of my mind
You have brightened the star of my fortune
I have tied the string.....

You have brightened the star of my fortune
I am proud of my fortune as I have Your support
In your eyes I saw the dawn of a golden age
I have tied the string.....

With one glance of You, I attain
the happiness of numerous births
Let me constantly sing the songs of Your praise
By attaining unique love from You,
I am lost in those feelings
I have tied the life string of love and affection with You
My heart is drawn constantly towards You
Constantly towards You....
Constantly towards You....

Baba, I remember You constantly ..

Baba, I remember You constantly
Who else can give so much love except You
Baba I remember you.....

Everyone says that Baba is mine
Why should we not remember You from whom we have
received life
Who else can give so much love except You
Baba I remember You.....

In the beginning too you gave
sustenance and did wonders
Then you became avyakt and serve
in an even more unlimited way
Thinking of such service, my eyes become moist
Who else can give so much except You....
Baba I remember You.....

We are listening to your teachings with attention
To remain incorporeal, viceless, egoless
Whatever you have said, we will practically do
Who else can give so much love except you....
Baba I remember you constantly ...

Man me mulakat kar,
Khud ko tu aazad kar le mere mana

your heart

Make your breath worthwhile, hey mind

Do not wait any more and, do not sit having lost courage

Have a vision of God, hey mind

The one who swings on the waves of remembrance

Will attain alokik happiness

He will change a crucifix into a thorn and,

a thorn into a flower

He will change a mountain into a mustard seed

and a mustard seed into cotton wool

Have a heart to heart conversation with Him and

Keep celebrating a meeting with Him through the mind

Make yourself free, hey mind

I have found a diamond like life ..

I have got a diamond like life, and a pearl like mind
Baba, You have given me a new life

Baba, there is godly magic in Your murli
The heart is filled with godly intoxication on hearing it
With Your spiritual drishti, we have become pure

The thoughts are as elevated as the Himalayas
Just as You came and sat in the heart, it became Shivalaya
Spring has come, bringing supersensuous joy

Baba, We are very proud of what You have
made us from what we were
We were singing songs of You and
You are now singing our songs

Borth the earth and sky are singing
whilst being absorbed in Your love

Baba, You have given me a new life

Heere jaisa mila hai jeevan ..

Heere jaisa mila hai jeevan, moti jaisa man,
Diya hai Baba hamko naya jeevan

Murli mein hai Baba teri jadoo khudai,
Sunkar ke dil mein chhai hai masti maulai,
Inhi ruhani najron se ham ho gaye paavan

Unche hain sankalp jaise uncha himalaya
Aise base dil mein jaise ban gaya shivalaya
Rimjhim-rimjhim ateeindriya sukh barse savan

Hamko hai naz Baba kya se kya banaye
Gaate geet jiske ab vo hamare gaye...

Dharati-gagan sabhi mil gaate hoke yahi magan

Diya hai Baba hamko naya jeevan

Kitna pyara hai ..

Kitna pyara hai apne pyare Baba ka pyar
Ismen khushian hain apaar, ismen jannat ki bahar

Sangamyug ki ghadian, madhuban ki ye galian
Pal bhar juda na honge apni ye hai duniya
Yogi-paavan jeevan milata kalpa mein ek he bar
Kitna pyara hai apne pyare Baba ka pyar...

Mata-pita bhai-bahanon ka chhota sa sansar hai
Kismat walon ko he milta ye daivee parivar hai
Man-veena ka tar-tar karta hai yahi jhankar
Kitna pyara hai apne pyare Baba ka pyar

Baba ki muralia amrit ras barsaye
Mast-magan ho jaaye manva jhoome naache gaaye
Baba, murli, madhuban teenon apne hain sansar
Kitna pyara hai apne pyare Baba ka pyar.....

How lovely is ..

How lovely is the love of our beloved Baba
It is filled with unlimited happiness
It has the Spring of heaven

The moments of the confluence age and
the streets of Madhuban
We will never become separated from them
even for a moment, it is our world
Only once in a cycle do we have a pure yogi life
How lovely is the love of our beloved Baba....

This is a small world of the mother,
father, brothers and sisters
Only the fortunate ones find this divine family
Every string of the mind-sitar
constantly creates this music
How lovely is the love of our beloved Baba.....

Baba's murli showers nectar,
let the mind become intoxicated and sing and dance
Baba, murli and Madhuban are our world
How lovely is the love of our beloved Baba.....

Goonj raha Shiv ka sandesh ..

Goonj raha Shiv ka sandesh
 Sun lo sabhi dishaon mein
 Aa jao mere ladlo, Rajyog ki rahon mein

Beet chali dukh bhari raat
 Swarnim prabhat mein laya hoon
 Taj takht aur tilak sath, saugat mein lekar aaya hoon
 Bhar lo aasha suraj ki
 Satrangi kiran nigahon mein .. Aa jao

Prabhu milan ki shub ghadian
 Anand lutati hain har pal
 Do pal jod ke man ki tar
 Sadgun se bharo jeevan-anchal
 Jalti rahen chhodkar
 Prabhu prem ki sheetal chhanvon mein .. Aa jao

Parivartan ki paavan vela
 Sun lo pyare prabhu ki pukar
 Tujh par sab swaha kar dega
 Pahle us par sab de nisar
 Taj agar-magar, aa jao idhar
 Parmatm-sharan ki bahon mein .. Aa jao

Sab saunp do pyare prabhu ko ..

Sab saunp do pyare prabhu ko
 Sab kuch saral ho jayega
 Kushion ke sunder jheel mein
 Jeevan kamal muskayega

Hai jo bhee tere pass sab uski amanat hai
 Apni samajh lena amanat mein khyanat hai
 "Sab kuchh tera" ye maan le, sab kuchh tera ho jayega
 Chinta sabhi mit jayegi man vimal ho jayega

Aakash se oonchi tumhari bhavnayen hon
 Dil ho bada sabke liye shubh kamnayen hon
 Kalyan karta chal tera khud he bhala ho jayega
 Aazad ho pinjare se panchhi phir nikal ud jayega

Sab saunp do pyare prabhu ko
 Sab kuch saral ho jayega....

Entrust everything to the beloved Lord ..

everything will belong to you
All your worries will finish and your
mind will beome pure and peaceful

Let your feelings be even more elevated than the sky
You should have a big heart filled with
good wishes for everyone
Continue to bring benefit and you will automatically benefit
The bird will become free from the
cage and fly again

And everything will become easy....

Sada khush raho ..

Sada khush raho, muskurate raho
Khajana khushi ka lutate raho
Gaate raho, gungunate raho
Milan pyare prabhu se manate raho

Achchha he hoga fikar kyon karen
Har baat mein sabka kalyan hai
Khushi ka marm ye sunate raho

Chalo kuchh kahaa kisane kya ho gaya
Khushi kho gayi mano sab kho gaya
Khushi jaisi koi dava he nahin

Yaadon mein prabhu ke hai sachhi khushi
Ye seva badi hai duvaon bhari
Ye muskan vardan bhagwan ka
Nacho khushi mein nachate raho

Constantly be happy ..

Constantly be happy and keep smiling
And continue to loot the treasures of happiness
Keep singing, keep humming and
celebrating the meeting with the beloved Lord

Whatever has happened has been good, why fear
Whatever will happen will be good,
why should you worry
There is benefit in everything for everyone
Keep sharing this secret of happiness

Even if someone has said something, so what!
If you have lost happiness then you have lost everything
There is no medicine like happiness
Share this nectar of happiness with everyone

In God's remembrance there is true happiness
This service is great and filled with blessings
This smile is a blessing from God
Dance with happiness and make others dance

Pyare Brahma Baba ..

Pyare Brahma Baba swikariye shradha suman
Aapke aabhar mein pulkit hua gaata hai man ...

Shiv pita ko iss dhara par kar diya sakar hai
Pyar de uphar prabhu ka jo kiya upkar hai
Bhool sakta jag nahin jab tak hai ye dharti gagan

Vishwa mein ham bachcho ko pratyaksh karne ke liye
Vyakt tan ka tyag kar avyakt sadhan le liye
Pyar itna hai vatan se ab bhee hota aagaman

Abu ko tirath banakar naam jag mein kar diya
Hey bhagirath! Gyan ganga hai dhara par la diya
Dhanya dharti kar rahi hai aapka shat-shat naman.....

Beloved Brahma Baba ..

Beloved Brahma Baba, accept these flowers of love
The mind is content and singing in gratitude to you...

You have revealed Shiv Baba on this earth
You have given God's gift of love and
brought benefit to many
The world cannot forget this whilst
the earth and sky exist....

In order to reveal we children to the world
You renounced your corporeal body
and took the avyakt form
You have so much love that you come from the subtle
region even now

Having turned Abu into a pilgrimage place
You glorified it's name in the world
Hey lucky chariot! You have brought the
ganges of knowledge onto this earth
the earth is thanking and saluting
you a hundred times.....

Hey my beloved mind ..

Hey my beloved mind, dive deep into the inner self
Allow the nectar to flow and,
quench the thirst of many ages
With deep love remain merged in the self & God
Celebrate a meeting with the beloved Lord.....

The entire world is searching for the path,
and thirsts for even one drop of love
Become the clouds filled with bliss and
shower Supreme love
You fulfill the responsibility of this love
By being loving to the Supreme Beloved....

There are so many rivers and so many streams
Nothing pleases you
But only a few drops of dew received from God in
Sangamyuga please you
Surrender yourself unto the Lord, make your life a mirror
Celebrate a meeting with the beloved Lord.....

Just like the chakor bird stares at the moon
You constantly look at the Lord
Whist constantly seeing that Point of Light
The mind is dancing like a peacock,
Merge the urn of the mind completely in Shiva, the Ocean
Celebrate a meeting with the beloved Lord.....

O mere pran papihe ..

O mere pran papihe, tu piu-piu kar nij antar par
Amrit ki dhar baha le, yug-yug ki pyas bujha le...

Tu man mein magan, ye dil ki lagan

Pyare prabhu se laga le

Tu prabhu se milan mana le...

Sara jag rahen nirakh raha, ek boond pyar ko taras raha

Anand saghan ghan ban karke vahi

param pyar hai baras raha.

Tu param priya ka priya bankar,

ye preet ki riti nibha le.....

Kitni nadhiyan kitni dhara, par tujhe lubha na paati hain

Sangamyug mein prabhu se milti,

swati ki boonde bhaati hain

Tu prabhu ki sharan ho ja arpan, darpan jeevan ko bana le

Tu prabhu se milan mana le.....

Chanda ko jyon dekhe chakor,

tu dekh nirantar prabhu ki oar

Jyotibindu ko dekh-dekh kar,

naach raha hai man ka mour

Tu man gagar ko shiv sagar mein,

poora aaj sama le.....

Aapka shukriya ..

Charnon mein jagah mangi thi
 Hamen dil mein basa liya
 Thae ek najar ke pyase
 Najron mein sama liya
 Aapka shukriya..... aapka shukriya.....

Vardan bhari drishti se
 Hamen banaya trikaldarshi
 Janmon ke punya phale hain
 Prabhu-daya hai itni barsi
 Palkon se uthakar
 Moti aankhon ka bana liya.....

Khushion ke pankh lagakar,
 Jee karta hai ud jaaun
 Prabhu-prem ke baadal bankar
 Har man ki pyas bujhaaun
 Satkarmon ke sargam mein
 Gun-gaana sikha diya.....

Thank You ..

I asked for a place at Your feet
And instead You seated me in Your heart
I was thirsty for just a glimpse of You
And you merged me in Your eyes
Thank You.... Thank You.....

With Your drishti filled with blessings
You have made me trikaldarshi
The fruit of charity of many births
is a shower of Your mercy
You picked me up and made a pearl of Your eyes....

The heart desires to fly on the wings of happiness
By becoming the clouds of God's love
I want to quench the thirst of every mind
With the music of good actions
You have taught me how to sing the praise....

Hamko hamaare Baba se ..

Hamko Hamare Baba se pyaara mantra mila
Socho bhala karo bhala....

Jo hota achchha hota hai, sabme hai achhai,
Sundertam ye khel bana hai, dhyan se khelo bhai,
Dosh na dena kisko pyare hua bhale ka bhala,
Socho bhala..... karo bhala.....

Sara jag parivar hai apna, koi nahin hai paraya,
Jaisi najar se dekha hamne, vaisa isko paaya,
Sagar manthan karke man ka amrit hai nikla,
Socho bhala..... karo bhala....

Neki kar dariya mein daalo, vair na man mein paalo,
Le patvar shubh chintan ka, dubati naav sambhalo
Man ko mangal marg pe lana sabse badi hai kala
Socho bhala..... Hogaa bhala.....

From our Baba ..

We have received a lovely mantra from our Baba
Think good.... Do good.....

Whatever happens is good, there is good in everything
This play is wonderful, play it with attention
Do not blame anyone, dear ones,
Those who do good, experience goodness
Think good... Do good....

The whole world is our family no one is a stranger here
With whatever vision you look at others
You receive the return accordingly
By churning the ocean, nectar emerges in your mind
Think good..... Do good...

Do good and forget about it,
Do not have grudges in your mind for anyone
Save the sinking boat with
the anchor of your pure thoughts
The greatest art is to bring
the mind onto this auspicious path
Think good..... do good.....

Aapka pyar Baba barasata rahe ..

Aapka pyar Baba barasata rahe
Ham sitare yun hee jagmagate rahen
Saamne aap hon, sath mein aap hon
Aapse ham milan yun manate rahen....

Hui khushhal hai jindgani
Ho gaye hain safal apne har pal
Sneh-sagar mein aise samaye
Mit gai man ki hai sari halchal
Yun hee vardanon ka hath sir par rahe
Ham duaon se daaman sajaate rahen....

Gyan ki jyoti jeevan mein jaagi
Khel lagne laga jag ka pyara
Rachta pyara hai rachna bhee pyari
Vishwa lagta hai ghar apna sara
Shaktiyon se yun shringar karte raho
Swarg dharti ke aangan basaate rahen....

Ye sangam mein aa kar ke milna
Apne naino mein hamko samana
Apni najron se nihal karna
Apne jaisa he hamko banana
Silsila ye milan ka yun chalta rahe
Bhagya ke geet ham gungunate rahen....

The mind is merged in the Ocean of Love
and all upheavals are finished
May the hand of blessings remain on the head in this way
So that we decorate our apron with blessings....

The light of knowledge is ignited in my life
I begin to enjoy the games of the world
The creator is lovely and the creation is also lovely
The entire world seems like my home
Continue to decorate me with Your powers
And continue to bring heaven on earth.....

The meeting at this confluence age
And merging us into Your eyes
You take us beyond with Your drishti
And make us the same as You are
May this meeting continue all the time
So that we can sing the songs of our fortune.....

We are making the garden of the world fragrant
We are your flowers, we are your buds....

This tower of peace symbolises you
It tells the story of your sacrifice
Thinking about your love and upliftment for us
Our eyes get filled with tears.....

You are watching us standing close for a long time
Even though you are avyakt, you are with everyone
The same feelings we experience in your room
This is what your lovely cottage tells us....

Through your innocence you became the lucky chariot
God came into your body alone
This tapasya of yours enabled the Ganges
of knowledge to flow
Your rivers purify others
My Brahma Baba ..

God, all of us are Your children,

However, You have unlimited love

The Lord is pleased with an honest heart,
saying "Ha ji" to every shrimat
They belong to one Baba and none other
and they are firm in this promise,
God, all of us are Your children

God is the Truth, He is the benefactor,
He is the beautiful One
God has constant love for those who are truthful
No harm will come to those who are truthful
They keep dancing with happiness
God, all of us are Your children

You may or may not have any other specialities
But simply remain clean and truthful in your heart
Those who are pure and innocent
They are liked by God
God, all of us are Your children

What can I give to You in return,
except singing the song of Your praise
Follow shrimat at every step and devote myself to You
This life, this breath is offered to You as a gift

By becoming a sparkling star ..

Let me fly to the subtle region
by becoming a sparkling star
Come, let us celebrate the auspicious meeting
with the Supreme Soul

Sparkles (souls) are coming out from each forehead and
Are flying above forgetting the physical world below
The adorned souls, like brides,
continue to sing this song
Come, let us ...

Beyond this blue sky is our sweet subtle region
The spiritual jewels are shining in the happy gathering
Let us dive deep into the ocean of bliss
and remain merged in it
Come, let us....

This experience is very avyakt, unique and wonderful
It is filled with unlimited joy beyond the senses,
imperishable peace and love
How can we go far away from the lap of God's love...
Come, let us....

We have come closer to you, since we have known you

After attaining You, O Baba,

We are receiving the happiness of
the whole world only from you

Only because of you, buds of hope are blooming

Only the fortunate ones can enjoy
the beautiful meeting with God

The intoxication of meeting you is unique

Now, every pore of my being is playing this music...

After attaining.....

Tere kareeb aaye ..

Tere milan ki masti ka ras bada nirala
Ab rom-rom apne gaate yahi tarana

Creating the form of an angel ..

Creating the form of an angel
Leaving the consciousness of the body
We go beyond the sky
In our unique Subtle Region.....

Moonlight is scattered, yet there is no moon
We talk to Baba, yet there is no sound
The Angel sitting within the aura of light is smiling
And celebrating the sweet meeting
In our unique Subtle Region.....

O Baba, dearer-than-life, our heart sings this
We also are ready to come by being avyakt,
We are lost in love, flowers of love are being showered
We are smiling in the garden of the mind...
In our unique Subtle Region ...
We go beyond the sky
In our unique Subtle Region....

Pharishta roop rachkar ..

Pharishta roop rachkar

Deh ka bhan tajkar

Chale hain paar gagan

Nirale apne vatan.....

Chandni bikhari hai, magar koi chand nahin

Baba se baat hoti hai, magar koi naad nahin

Prabha mandal main hai baitha Farishta vo muskurata

Manata madhur milan.....

Nirale apne vatan.....

O Baba pran pyare, hamaara dil ye gaaye

Banke avyakt ham bhee, abhi aaye ki aaye

Lagan main magan ham kahate,

prem ke pushpa hain jharate

Vihanste man madhuban....

Nirale apne vatan... Chale hai paar gagan

Nirale apne vatan.....

Teri yaadon ke jhoole main ..

Teri yaadon ke jhoole main O Baba
Ham ateeindriya sukh paate hain
Naynon ke eshare hamen Baba
Vatan ki sair karaate hain.....

Goonji muraliya jabse teri
Hamen lagta ki sunte hain jyu lory
Tan-man ki sudh-budh bhulaye Baba
Teri yaadon main kho jaate hain.....

Hathon main hai hath jabse liya
Ruhani rang main hamen rang diya
Tere pyar ke pankh lagaake Baba
Udte-udte tere paas aate hain.....

In the swing of Your remembrance ..

In the 'swing of Your remembrance', Oh Baba
We receive happiness beyond the senses
The gesture of your eyes, Baba
Makes us roam around the Subtle Region

Ever since your murli is echoed
We feel that we are listening to a lullaby
Baba, you've made us forget
the awareness of the body and mind
We are lost in your remembrance....

Ever since we put our hand in yours
You have coloured us with spiritual colours
We put on the wings of your love, Baba
And come flying to you

Sweet children, sweet children ..

“Sweet children, sweet children”

how sweet are these words

Baba You make us sweet, how sweet You are

We say we sacrifice our heart and life unto You Baba

Not just your life (jaan), children,

You should give up this world (jahaan)

With these teachings filled with love

You have won our hearts

Sweet children, sweet children ...

You have taken away the thorns and

filled our lives with fragrance

Our mind dances like a peacock

When we listen to the melodious murli

With this melody we have learnt to awaken the fortune

Sweet children, sweet children ...

You grace us, you make us sit on your shoulders

With your love, remembrance and salutations

You sacrifice yourself to the children

After tasting the sweet essence of your love,

everything else seems tasteless

Sweet children, sweet children

Mithe bachche mithe bachche ..

“Mithe bachche mithe bachche”

bol ye kitne mithe hain

Mitha hamain banate Baba aap bade hee mithe hain....

Ham kahate kurban aap pe Baba ye dil-jaan hai
 Jaan nahin, kurban bachcho karna tumhen jahan hai
 Pyar bhari in shikshaon se sab ke dil ko jeete hain

Mithe bachche mithe bachche

Khaar chun liye, khushbu bhar

Har jindagi mahkai hai

Naach uthe hai man-mayur jab

Murli madhur sunai hai

Esi raag main bhagya jagana aap
 se ham bhi seekhe hain....

Mithe bachche mithe bachche

Naaj uthate hamen bithate

Aap to apne kandhon par

Yaad-pyar de karte namaste

Bali-bali jaate bachchon par

Aise pyaar ka madhuras peeke

sabras lagte pheeke hain

Mithe bachche mithe bachche

Hey pranon ke pran ..

Hey pranon ke pran! Hain ham par tere bade ahsaan
 Ki tumne prabhu se mila diya
 Tere karma itne mahaan jo lagne lage tumhi Bhagwan
 Ki tumne antar mita diya.....

Bahi shree mukh sey gyan ki dhara
 Hai badla ye jag saara
 Nav srishti ke rachta ka
 Mila rachna ka parichaya pyaara
 Viraan bane jeevan ko tumne madhuban bana diya.....

'Vande Mataram' kahakar
 Pavanata ka diya himalaya
 Shivpita sey preet jutakar
 Jan-man ko kiya Shivalaya
 Khoye Bharat ka phir sey gaurav dila diya.....

Sadgunon ki dee jaagiren
 Muskane lagi takdiren
 Daha gayi deevaren had ki
 Hain toot gai janjeeren
 Jeena sikhaya jag main
 kamal sa jeevan khila diya.....

Oh, the life of lives ..

Oh, the life of lives, we are greatly obliged to you
That you made us meet God
Your actions are so great that you seemed like God
You removed all differences (between God and you)

The stream of knowledge flows from your holy mouth
It has changed this world
We have received the lovely introduction
of the New World, the creation and the creator
You have made this barren-like life into a garden...

By saying 'Salutations to mothers'
You have given us the highest mountain of purity
By connecting our love with Shiva-the Father
You've made our mind and world the Abode of Shiva
Bharat has now found its long-lost pride.....

You have given us the wealth of divine virtues
Our fortunes have started smiling
The limited walls have been washed away
The chains have broken
You have taught us how to live in this world,
Have made our life bloom like a lotus

You have adorned my life ..

You have adorned my life
You have obliged us greatly
My Baba, you have given me limitless happiness
This kindness is the proof of your presence
You have adorned.....

Your glance has brought smiles to my life
You awoke the lines of fortune that were asleep
Each nerve of my being is telling the story of God's love
You have adorned.....

The tales of sorrow have ended,
the flowers of the mind have bloomed
The tears from my eyes have been transformed into pearls
This old love story has been written in the sky
You have adorned.....

You have filled the treasure store of
my mind with all treasures
Moonlight sparkles in the world of pure wishes
Your beautiful form is merged in my inner being
You have adorned.....

Aapne sanwaar dee meri jindagani ..

Ashka mere in nayan ke motiyon main dhal gaye
Aasman pe hai likhi preet ye purani

Khilne lagi chandani arman ke jahaan main
Seerat main surat samaayi hai suhaani...
Aapne sanwaar dee.....

Prem ke path par ..

Prem ke path par, seva dagar par
chalna sikhate Baba
Taaron sa hansna, phoolon sa khilna
Jeena sikhaate Baba.....

Har haal main yun khushhaal raho
Jo jag nihaal ho jaaye
Aur chal pharishton jaisee ho
Jo kaal bhi sheesh navaye
Hansate-hansate har man ka gam
Peena shikhaate Baba.....

Moti gunon kae chun-chun kae
Jeevan ka muktahaar bharen
Ham pyar karen, satkaar karen
Mil-jul kae rahen vyavahar karen
Jhankaar karen, har sur main bajana
Veena sikhaate Baba.....

On the path of love ..

On the path of love, on the path of service

You teach us to move forward

You have taught us to smile like

stars and bloom like flowers

You have taught us to live

Remain happy under all conditions

So that the world is taken beyond

Let your behaviour be like an angel

So even, death bows its head

Baba, you've taught us to swallow the sorrow

of each mind with a smile.....

Let the life be filled with a garland of pearls

By picking the pearl-like virtues

Let us live and interact with love and respect

Baba teaches us the lute of knowledge with harmony

Let us resonate this everywhere.....

Your help at every step ..

Your help at every step make us feel

Think, who you have found!

Who is your companion!

When I am alone even for a minute You come close to me

Softly in my ears, I hear your limitless sound

One unseen ray comes and shows me the path and goes

I never see you fill my apron,

And yet its filled

In every step ...

Only once I said, 'You are mine'

I received your love a hundred-fold

I took one step towards you

And received your companionship for every birth

Such kindness and such affection reminds us of you

My heart gets so lost in the love of God

That my eyes become moist.....

In every step ...

Kadam kadam par madad tumhari ..

Kadam-kadam par madad tumhari ye ahsas dilati hai
Socho tumko kaun mila hai
Kaun tumhara saathi hai.....

Palbhar jab bhee hotae akele paas mere aa jaate ho
Dhime-dhime kaanon main anhad naad sunaate ho
Ek kiran andekhi aati raah dikhakar jaati hai
Bharte huye na kisi ne dekha
Par jholi bhar jaati hai.....
Kadam-kadam par ...

Ek baar kaha tum merae ho sau baar tumhara pyar mila
Ek kadam chale teri raahon main
Tao janam-janam ka saath mila
Aisee karuna, aisee mamta teri yaad dilaati hai
Pyaar main prabhu ke dhil kho jaata
Aankh sajal ho jaati hai.....
Kadam-kadam par

Vatan main baithkar Baba ..

Vatan main baithkar Baba ishaaron se bulate ho
Hamen avyakt bananaa vyakt main aakar sikhate ho.....

Abhi palbhar main aakari
Abhi pal main nirakari
Alokik khel sangam ka yahi hamse karaate ho...
Vatan main baithkar Baba

Jagat kalyan bhi karna
Jag se upram bhi rahna
Sada hi santulan rakhna hamen Baba bataate ho...
Vatan main baithkar Baba

Bhale gungaan karen kitna
Hamen gunwan bhi bananaa
Farishta banke Baba hamko bhi khud sa banaate ho....
Vatan main baithkar Baba

Residing in the subtle region ..

Residing in the subtle region, Baba calls us through signals
He comes in the corporeal form and
teaches us to become angels

In a moment we are corporeal
The next moment we are incorporeal
Baba makes us play this spiritual game
only in Sangam Yuga...
Residing in the subtle region

Bring benefit to the world
Yet remain detached from it,
Baba teaches us to constantly keep a balance ...
Residing in the subtle region

No matter how much we praise the virtues
We ourselves have to become virtuous too
Baba you have become an Angel and
also make us like you..
Residing in the Subtle Region.....

Don't waste your life in idle talk
Why do you carry the crown of thorns....
Make your Present worthwhile with God's love ...

Fill every apron with the fragrance of happiness
By singing praises, keep donating virtues
Understand the secret of happiness if you can
Make your Present worthwhile with God's love ...

Lovely Baba, this is what you tell us ..

Lovely Baba, this is what you tell us
Keep wearing virtues as your ornaments
Keep loving others, keep giving regard
You have to go beyond the stars

Keep thoughts higher than the sky,
Abundance of patience like the earth
Spiritual love in the eyes
Stay in the unlimited, not in the limited
Constantly keep flowing like a river

Lovely Baba, this is what you tell us.....

Let the lips smile as if gardens are blooming
Let the world receive the gift of life
Don't let the winds of sorrow come
Continue to give blessings
Don't ever carry defects in your mind ...
Lovely Baba, this is what you tell us....

Make your words and actions the same,
Perform good actions
And seeing you many others will become like you
You have to remain a yogi
Become pure like a clean-flowing waterfall.....
Lovely Baba, this is what you tell us...

Pyare Baba tumhara yahi kahana hai ..

Pyare Baba tumhara yahi kahana hai
 Pahane rahana gunon ka yun hi gahana hai
 Karte chalo sabko pyar, detae chalo satkar
 Tumhe taaron se aage nikalana hai....
 Pyare Baba tumhara yahi kahana hai...

Gagan se unche rakho vichar, dharati jaisa dhairya apaar
 Naynon main ruhaani pyar
 Behad main rahana, na had main thaharna
 Sada nadiya sa bahate rahna hai....
 Pyare Baba tumhara yahi kahana hai....

Hontho ko muskan mile, jaise hon gulistaan khile
 Jag ko jeevandan mile
 Aaye gam ki na havaayen, daete raho duayen
 Nahin avgun ko man main dharna hai....
 Pyare Baba tumhara yahi kahana hai...

Kathni-Karni ek bane, karma tumhaare nek banen
 Dekh ke aur anek banen
 Tumko yogi banke rahana, paavan-paavan aise bananaa
 Jaise nirmal sa jharata jharana hai....
 Pyare Baba tumhara yahi kahana hai....

Tum saamne hamaare ..

Tum saamne hamaare, tum paas ho hamaare
 O pran pyare Baba sada saath ho hamaare...
 Tum saamne hamaare....

Teri yaad ne tao hamko amrit pila diya hai
 Tere pyaar ne tao jaise phir se jila diya hai
 Angin hridaya ki asha, vishwas ho sahaare
 O pran pyare Baba...

Jaahir ki jabse tumne hamen hasti hai hamaari
 Haasil hain hamko Baba sab shaktiyan tumhari
 Ham udte panchhi jismen aakash ho hamaare
 O pran pyare Baba....

Har kalpa main mile hain, har janam main mile hain
 Ham ek chaman ke gul hain, kai rang main khile hain
 Surajmukhi sa manva harpal tumhen nihaare
 O pran pyare Baba....
 Tum saamne hamaare

You are in front of me ..

You are in front of me, you are close to me
Oh, dearer-than-life Baba, you are constantly with me....
You are in front ...

Your remembrance is like drinking nectar
Your love has again given us a new life
You are the hope, trust and support of countless hearts
Oh Baba, Dearer-than-life ...

Since you have told us of our status
We have obtained all your powers, Baba
You are our sky in which we birds are flying
Oh Baba, Dearer-than-life ..

We have met in every kalpa (cycle),
we have met in every life
We are the roses of the same garden,
blooming in a myriad colours
The mind is like a sunflower,
Which keeps looking at you at every moment
Oh Baba, Dearer-than-life ...
You are in front of me.....

Kin shabdon main Aapka dhanyawad karen ..

Kin shabdon main Aapka dhanyawad karen

Heera hamen bana kar shringaar hai kiya
Shrimat se man chaman ko aabaad ham karen
Kin shabdon main.....

Khichate hamaare pyar main ab tak bhee aa rahe ho
Rath ko sambhalate bhi vaada nibha rahe ho
Aise hee pyar par jaan nisar ham karen
Kin shabdon main.....

Sangamyug main Baba aa kar ke milate rahna
Hamne hai socha Aap sa ban kar ke hee hai rahna
Dil ki yahi hai aarjoo Prabhu saath ham rahen
Kin shabdon main.....

There is a lot be done in life ..

There is a lot to be done in life
However spare a moment in the name of God too
There is a lot ...

Unless there is a chain of heart beats in the heart
And unless this harmony of life continues
Make Him your companion till end of the life
Spare a moment in the name of God too
There is a lot ...

May His blessed hand always be on our head
And always His company be with us
whether it be day or night, sorrow or happiness
May it not be that we remember Him only in need
Spare a moment in the name of God too
There is a lot ...

Whatever these eyes see is going to vanish
We are to go our own region where God dwells
Keep your eyes at the Paramdham ..
There is a lot ...

How fortunate we are ..

How fortunate we are
We have received the support of God
We belong to Him and He belongs to us
How fortunate are we

Everyday morning He comes to wake us up
And addresses us with love 'Wake up, oh my beloved'
I see that scene in front of my eyes
While sleeping and whilst awake
We belong to Him and He belongs to us
How fortunate are we

He bestows the jewels of true knowledge upon us
Enlightens not only my heart but of everyone
Gives us the support of teachings at every step
We belong to Him and He belongs to us
How fortunate are we

You have adorned my picture through your eyes
And have designed a beautiful fortune for many lives,
In the garden of my heart You have brought down paradise
We belong to Him and He belongs to us
How fortunate are we
