The meeting of the father and the children in the corporeal form is such a lovely meeting not ordinary.

On the path of devotion, you never thought that you would have the fortune of having such a meeting with God. It is such a great fortune to find such a Baba in the iron age. This meeting is unique and valuable in the whole drama.

However, thanks are given to scientists because they have created such ways and methods of meetings very good & easy. so that even though you are not face to face, you have the experience of being face to face. You can see Baba in front of you and you can also hear him. No matter through which facility, there is so much happiness when the father appears in front of you and you are able to hear the words he speaks. Just put on a little cassette and listen to the voice whenever you want. Invent something that can bring you even closer, something that makes the children happy and also makes the father happy.

Still, the easiest way of meeting is through the meeting of the hearts, the best remembrance is the remembrance of the heart.

Let there be just remembrance of "Baba, Baba" in your heart, while you are walking and moving around and doing anything.

All of these are temporary facilities. But, what is with you at all times is the heart. Keep Baba in your heart and let him remain emerged. This practice is essential.

Baba will give you an examination. Throughout the whole day, for how long do you remember Baba ? The easiest method of remembrance is for there to be remembrance in your heart without any of the facilities and that can not be removed even after making an effort.

The personal meeting has taken place. Now, continue to extend this meeting as much as possible. Make this effort and continue to move forward.

Everyone is celebrating the festival of father's birthday with a lot of happiness and love. Each one has a lot of happiness of this birth, which is known as the alokik birth, because this alokik birth is unique and loved by everyone. This birth through father Brahma is very well known by the name of Brahma Kumars and Kumaris.

It is sung that the birth you receive from father Brahma at the confluence age, the birth of both the father and you is short, but the attainment is unique and most lovely when compared to all other births. Although this is a short birth, the speciality of it is that you come to know about all your births and in this one birth you also know about your future. This is why the confluence age is called the Diamond Age.

The meeting with God and your Godly birth are experienced in this small age. The attainment for the whole cycle is attained in the birth of this confluence age. Alokik happiness, Alokik peace, elevated birth and fortunate family is only in this one birth of the confluence age when you can have such a birth. It is at the confluence age that Bapdada meets you children with recognition. The alokik father, who is called father Brahma, is experienced at this time. This age of the confluence is very very fortunate. It is a small age, but there is a lot of attainment.

This confluence age is so great that out of all the ages, the main age is considered to be the confluence age. You also know the secret of the whole cycle at the confluence age. Those who attain the fortune of the confluence age are called great yogis.

It is only at the confluence age that the original children attain God. It is only at the confluence age that the father's love is attained in a visible way. The incarnation of God himself, takes place at only the confluence age. God, himself, comes and gives you the total knowledge, as he is giving it to you now. Do not consider this gift to be anything less. The knowledge of all the ages, the most elevated income of all the ages, and the knowledge of the whole cycle and fortune are all attained at the confluence age. **BEST WISHES TO ALL**

**FOR CELEBRATING GREAT AND LOVELY MEETING THROUGH VARIOUS  
FORMS AND LOVE  RELATIONS AMIDST GATHERING OF  
DEEPAKS ( LAMPS) OF DEEPAJ**

Main highlights of Avyakt vani dated 31.03.16

Seeing such a huge gathering of deepaks, Deepraj is very happy : Wah deep (deepak)!  
Wah!

This meeting has a very great value since the gathering is of the meeting of living  
Deepraj and Deepraj's children. That is why this is called Deepawali, the meeting of  
deepaks.

This short meeting is so beautiful and lovely. In each one's heart, there is especially:  
"My Baba! Wah Baba! Wah! You have given every child a corner in Your heart."

Some are remembering in one form and others in another form; all are remembering  
the One. This meeting of the Father and the children is one that gives relief to the  
heart.

The sound from the hearts of all is the same: The King of the heart has come.

Not in this ordinary form, but even in the ordinary form, the form with which they are  
remembering Baba in their heart is visible in that form.

Bapdada too is not seeing each one's ordinary form, but seeing the form of the  
relationship - the relationship of Father and child. Whenever Bapdada comes, he sees  
your original form and then what emerges from His heart? Wah children! Wah!. Both  
forms – of a companion and a detached observer – are visible

In terms of sitting here, even though you may be sitting in the last row, all of you are in  
the heart. Each one of you is sitting where you are, according to the number of your  
love.

Everyone's face is very beautiful and the make-up is of being merged in love. Each  
one's face at the present moment appears as the form of love in the mind.

You have to tolerate the heat and you have to perspire, but what is that compared  
with being in front of Baba.

They do so much on the path of devotion, whereas this is knowledge.

To fulfill Bapdada wishes come true keep an aim of celebrating meeting with  
perseverance of heart remaining in the intoxication of Godly love.
