Love and remembrance from BapDada – through Dadi Gulzar

(Everyone sends love-filled remembrance to Dadi Gulzar. They continue to phone. BapDada has also sent remembrances to everyone through Dadi Gulzar.)

Everyone remembers with a lot of love. However, if Baba didn't come, where would Gulzar come from? Who is the Father, whose attraction it is – this has to be understood. If He didn't come, nothing could happen. The attraction is of the Father. Whom does everyone remember? (Baba.) Do they ever ask: How is Gulzar? Or do they ask: How is Baba's chariot? They would not say this for Baba. Just as is everyone, so is Gulzar. You have seen what she is like when Baba is not there. So, everything that is happening is happening because of Baba. No human being can run this yagya. Can Gulzar run it? This is difficult for everyone to understand. The body is ordinary and so seeing that, everyone's intellect is drawn to that. However, God would definitely come in some human body, would He not? How else could He be understood? This is why Baba also has to come. Just as everyone else comes, Baba too comes, and for the duration that Baba is here, everyone meets Him and then it is over. Then though they come to meet Gulzar, there are only a few. He (Baba) never becomes ill. The chariot is His, but there is so much difference. This secret has to be understood and check by yourself, see for yourself, how much difference there is. This is something that has to be understood. Achcha. What are we going to do now?

(It felt as though BapDada had come in an incognito form for 3-4 minutes and clarified this secret in Gulzar Dadi's voice.) Achcha. Lots of remembrances to all.
